

Faculty Opening: Assistant Professor
Macroeconomics / Cliometrics Field
Economic Science Group
Department of Industrial Engineering and Economics
School of Engineering
Tokyo Institute of Technology

Job Title: Assistant Professor (1 Opening)

Affiliation: Department of Industrial Engineering and Economics, School of Engineering

Academic Field(s): Cliometrics, Statistics, Development Economics, and Labor Economics

Job Description: Research and education in undergraduate and graduate programs.

Qualifications: Candidates are required to hold a Doctorate degree in Economics, Statistical Science, or a related field by the start date.

Status: Full-Time Faculty. Appointment will be for up to 5 years. Reappointment may be possible, but the total maximum appointment period is 10 years.

Salary: Salary will be determined according to the National University Corporation Tokyo Institute of Technology Salary Regulations for Employees with Annual Salary.

Position Start Date: April 1st, 2018

Application Dead Line: October 31st, 2017

Application Materials:

- (1) Curriculum vitae including education, professional experience, honors and awards, e-mail address, and photo.
- (2) List of research publications: research papers, books, conference presentations, invited lectures in conferences, academic activities such as the members of academic societies, and social activities such as the members of governmental advisory committees. All authors should be stated in the same order as in each publication. Classify articles into refereed (peer-reviewed) ones and non-refereed ones.
- (3) Reprints or copies of up to three selected papers or books. Specify the most significant article.
- (4) Summary of past research and educational activities (A4 or letter size, up to two pages).
- (5) Research plan and statement of teaching philosophy (A4 or letter size, up to two pages)

(6) List of acquired research funds (fund name, project title, budget, and periods of research). Specify whether the applicant is the principal investigator or a co-investigator and the total and allotted budgets in the case of a co-investigator for each fund.

(7) Names of two references (affiliation, address, phone, e-mail, and relationship to the applicant).

Notes:

- 1) The selected individuals will be interviewed. The applicant is required to pay the traveling cost for the interview.
- 2) The application materials will not be returned. In accordance with Tokyo Institute of Technology guidelines, personal information will be used solely for this recruitment and not for any other purpose.

The application materials should be sent to:

Office of Department of Industrial Engineering and Economics, School of Engineering,
Tokyo Institute of Technology, W9-74, 2-12-1 Oh-okayama, Meguro-ku, Tokyo, 152-8552,
Japan.

Please write "Application for Assistant Professor Position of Macroeconomics / Cliometrics Field" in red on the front of the envelope. Applications should be sent by registered postal mail or courier service. We cannot accept any submission by email.
